Scholarship Information

Our tournament benefits the Fresno Police Officers Association Memorial and Annual Scholarship Programs.

Over \$250,000 has been given to dependent children of FPOA members to further their education.

History

The Fresno Police Officers Association was founded in the early 1900's, known first as the Widow and Orphans Organization. As the name implies, we provide assistance to the families of our members. Sometime later, the name changed to the Fresno Police Relief Association and, in 1951, was incorporated. Services of our organization had expanded by this time, and emphasis was placed on improving the benefits, salary, and working conditions of the FPOA member. The name was once again changed in 1975 to its current name, although it is usually referred to simply as the FPOA. Although the FPOA has undergone many transformations during the 100+ years it has been in existence, our primary purpose remains the same: Service.
